Public Notice

Know Your Customer & Customer Due Diligence Exercise

Dear Valued Customers,

CG Atlantic Medical & Life Insurance Ltd. (CG Atlantic Medical & Life) is conducting a Know Your Customer (KYC) and Customer Due Diligence (CDD) record update exercise as part of our ongoing regulatory obligations and commitment to maintaining accurate customer records.

As a regulated financial institution, CG Atlantic Medical & Life is required to periodically review and update customer information to ensure our records remain current, complete and compliant with applicable laws and regulations.

Updating your information helps us meet our legal and regulatory obligations, maintain accurate customer records and continue providing efficient and uninterrupted service.

What do you need to do?

At or before your next policy renewal, CG Atlantic Medical & Life group and individual policyholders may be contacted to update their client records as part of our ongoing compliance and client information review process.

Clients whose information requires updating may be asked to provide the following documents listed below in addition to others:

Group Clients	Individual Clients
Incorporation Documentation	A Completed Customer Verification Form
Ownership and Control Information	A Valid Government-Issued Photo Identification
Information Relating to Directors, Authorized Signatories, and Beneficial Owners Holding 10% or More Ownership or Control	Current Proof of Residential Address
Updated Contact Information	A Completed FATCA and/or CRS Certification Form (where applicable)

The specific requirements will be communicated directly to you and may vary depending on the information currently held on file.

We appreciate your cooperation and thank you for your continued partnership with CG Atlantic Medical & Life Insurance Ltd.

This exercise forms part of CG Atlantic Medical & Life Insurance Ltd.'s ongoing obligations under applicable anti-money laundering, counter-financing of terrorism, and customer due diligence requirements in The Bahamas.
